

ESSENTIAL INFORMATION

Please note that camp bus arrivals and departures will occur in **TWO** different locations. Importantly, the departure procedure is a two-step process involving the bus picking up luggage **INITIALLY** at Tallebudgera Beach School before moving to the Currumbin Wildlife Sanctuary to collect students. (see information below)

It is imperative when booking bus travel to and from camp, your bus company and school are aware of the drop off and pick up procedures and locations.

Failure to give due attention to the required bus procedures could result in lengthy delays for staff and students, and additional charges for your school.
